

A Christian Church for all People

Mission of the Month - J-D Ecumenical Food Pantry

The mission of the Dewitt Food Pantry is to provide emergency food to local households whose income is below 185% of the Poverty Income Guidelines established each year. The pantry serves our neighbors who live in the Jamesville-DeWitt School District and local area surrounding DeWitt Community Church. The Dewitt Food Pantry is the result of a collaborative effort by members of the congregations of the DeWitt Community Church, Eastern Hills Bible Church, Holy Cross Church of Dewitt, St. David's Episcopal Church, and the staff of the Springfield Garden Apartments. DeWitt Food Pantry accepts monetary donations as well as donations of non-perish-

able food. Specific needs include canned tuna, pasta, rice, pasta sauce, canned vegetables, canned fruit and healthy cereal. Donations may be dropped off on Tuesdays and Thursdays, 10:00 - 1:00 PM, and Third Saturdays, 9:00 AM - 11:00 AM. It is located at 6486 East Seneca Turnpike, Jamesville. To schedule a time to drop off donations out-

side of the pantry's regular hours, call the On-site Coordinator, at (315) 469-5093. How to help: To make a financial gift, please use the contribution envelopes available in the pews and check "Mission of the Month." These will be collected during the Offertory or can be sent to the Church Office.

FROM THE SENIOR MINISTER

I am writing this article just after attending the Global Leadership Summit with 18 of our staff and lay leaders. While the presentations and material were both inspiring and challenging, the best part of the conference was being there with people who are daring to dream about our work together as leaders of DeWitt Community Church.

Most of us know that DeWitt Community Church has been around for 205 years of ministry to the greater Syracuse Area. Most of us know that many, especially mainline churches, are struggling. But it is in this time that God can challenge us to dream new dreams and dare to do ministry in different and creative ways to meet the changing realities around us. Accomplishing this is not an individual effort, but the result of all of us dreaming, daring and deploying the passions and giftedness of our congregation. Being part of the body of Christ (the local Church) is not a spectator sport, but calls for each of us to "get in the game."

In August Bruce Campbell shared the news that he would be retiring as our Choir Director. When Bruce accepted this position

three years ago he let us know that he would only be serving a few years before retiring. Bruce has done such an outstanding job and has become a good friend during this time and I truly will miss having him on the Chancel on Sunday Mornings. Abel Searor will now be moving into that role and thanks to his leadership I do not feel we will miss a beat (pun intended). On Sunday, September 25, Bruce will conduct the choir and we will celebrate his ministry here with us as he officially passes on the baton to Abel.

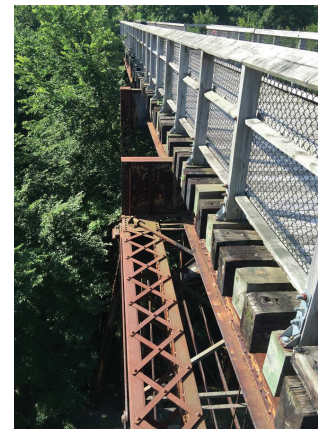

I am very excited about this new program year that begins on the weekend of September 10 & 11. We are working hard to get people better connected with each other and with the mission that God has for us. While many of us have been in and out during the summer months, I am looking forward to getting back into the rhythm of this new year. I look forward to seeing you in Church!

Rejoicing Always!

Dr. Mark E. Sommers
Senior Minister

Pedaling With Pastor Mark

Pictures from 2016 Pedaling with Pastor Mark. Thanks to your generosity, almost \$5,000 has been raised for renovations to the Multi-purpose space next to Miller Commons. This space allows us to have childcare for services and events in the Commons. This year's trip covered just over 500 miles with Pastor Mark pedaling 330 miles.

Pastor On-Call

One member of our Pastoral Care Staff will be on call 24/7, 365 days a year to respond to crisis situations or emergencies in our church family.

The emergency phone number is: **(315) 303-2308**. Please leave a message and your contact information and the pastor on-call will return your call as soon as possible.

Communicating with Church Leadership

The Advisory Committee meets on a regular basis and serves to advise the Senior Minister. All members of the Advisory Committee are members of the Board of Trustees. Input, ideas, suggestions, and comments are always welcome and may be submitted by e-mail to advisory@dewittchurch.org. Those without access to email may place messages in the church's internal mailboxes or mail to Advisory Committee, DeWitt Community Church, 3600 Erie Boulevard East, DeWitt, NY 13214.

In order to ensure the integrity of church communications, we are not able to consider anonymous letters. The pastoral staff is always open to discussion of issues and concerns in a spirit of Christian community and respect.

Join A Choir This Fall!

The Bible instructs us to make a joyful noise unto the Lord. I can think of no better way to do that than by joining our Chancel Choir and Bell Choir. No experience is necessary.

The Adult Bell choir is open to all ages 13 and up. We rehearse once a week on Thursday at 6pm for an hour and play in the 11am service once a month. Rehearsals begin on Thursday September 8 in the Music Suite under the Sanctuary. This group plays arrangements of familiar hymns as well as original music for handbells. Even if you've never played an instrument the handbells are a perfect way to get started.

The Chancel Choir welcomes singers of all ages, abilities, and voice types. This group rehearses on Thursdays at 7pm for about an hour and sings each Sunday at the 11am service. In addition to an anthem the choir leads the hymns at this service and provides music in special services throughout the year. Like the Bell Choir, no experience is necessary and all are welcome.

It is my privilege to conduct both of these groups this fall. Gloria Trode our new director of Children's Music will assist me with the Bell Choir and our four fantastic section leaders will offer vocal support and leadership in the Chancel Choir. Both groups begin rehearsals on Thursday, September 8th in the Music Suite. The Chancel Choir will begin singing in worship on Sunday the 11th, the Bell Choir will play in October. Please consider volunteering to be part of one or both organizations this year. If you have questions or would like more information please contact me at **asearor@dewittchurch.org**.

Meals on Wheels of Syracuse

Meals on Wheels of Syracuse delivers an average of 850 nutritious meals a day to our homebound neighbors. Here's how you can help.

Donate money. You can give online at Meals.org or send a check. Any gift is appreciated. \$2.25 will cover the remaining cost of one client's meals for one day. Sponsor the whole day for \$1,000 and have your name on every meal and on our social media. Or anywhere in between.

Volunteer. We need help in the kitchen from 8:00 until 11:30 and we need drivers from 11:00 until 1:00 Monday through Friday. Volunteer every week, every month or every once in a while. Volunteer with a friend and share the experience.

Go to Meals.org and hit the Volunteer or Donate buttons and make a difference today.

Call Mike Nortman, Community Relations Director at Meals on Wheels of Syracuse at **315-478-5948 ext 205** or email at **Community@Meals.org** for more information.

You can help us prepare for this event by filling out the RSVP form in the bulletin or calling the office at 445-0331 before September 12. We're so excited to hold this joyous event but we need your help. We're looking for dessert donations and volunteers to help with set-up, clean up and everything in-between. The national office for Stephen Ministry is offering an educational workshop at DCC Saturday, October 15, 8am to noon. Participants will learn about the grief process—the stages of grief and how to support a grieving person in a distinctively Christian way. Churches within a 75 mile radius of DCC are invited to participate for a nominal fee. Anyone who wishes to attend from DCC may do so free of charge by registering with Judi Wilson or Kay Paulsen. Volunteers are needed in the areas of publicity, registration, directing traffic in the parking lots, a presence in the hallways to direct participants to Miller Commons, food prep and set-up/clean-up. How can a Stephen Minister help me?

Stephen Ministers are lay persons who have completed 50 hours of training to learn how to come along side someone experiencing difficulty or life change. Those receiving care are contacted at least once a week for pastoral care and all conversations are entirely confidential. If you or someone you love is in need of the care a Stephen Minister can provide, contact Kay Paulsen, paulsenk@dewittchurch.org, 315-200-5650 (cell) or one of our Stephen Leaders, Nancy Bond or Judi Wilson.

A NOTE TO THE CONGREGATION

Hello Friends,

I hope that you had a wonderful summer (certainly warm and dry). Hopefully we'll remember the heat fondly in February! As we move into autumn and our new program year, it is time to get re-started and re-energized. There are so many wonderful things going on at DCC. It is impossible to list them all but we are impacting and changing lives every day, here and in the community. Yet we have much more to do. I recently met with Mark, Alan and Eric to discuss our priorities and focus moving forward. The core ministries we will focus on this year are serving our current congregation well, offering alternatives to potential new congregants, and serving the community as a whole. In support of this it is agreed that the two top priorities for the 2016-2017 program year are Stewardship and establishing an Alternate Worship Service.

Stewardship. Simply stated, we need to increase the level of revenue available to fund our budget. As many of you know the Board of Trustees passed a deficit budget with the provision that we would review the situation again in January 2017 to make sure we were making progress in closing this gap. We cannot continue deficit spending but are firmly opposed to "moving backwards" with our staffing or programs. One method is to increase the giving throughout our entire congregation. We respectfully ask you all to consider increasing your contributions. This request is immediate – not starting with the next stewardship campaign. We are "one for one" through July as giving was ahead of budget projections. THANK YOU! (Eleven more months to go). A small talented focus group is also looking into ways in which we can potentially increase revenue through the use of our building. And we are looking to attract new members who will hopefully be motivated to offer their talents and financial support to our ministry.

Alternate Worship Service. From everything that we understand about the growth of Christian churches it is clear that younger members are looking for alternatives to the traditional service for which we are well known. Please note that we are establishing an alternate- NOT ELIMINATING our current format. In order to reach and involve more of our community we need to look at offering different options. This requires a significant amount of effort to accomplish but we are committed to getting it started. And then getting better and better at it until it is strong and filling a need successfully. More information will be forthcoming but please let us know if you are interested in helping in some way.

A very special thank you goes out to several people who have already been working hard this summer getting us ready to go. Now it is time for all of us to become involved to the best of our abilities and make the 2016-2017 year a resounding success. As always we look forward to your comments and suggestions as we move forward.

Thank you & God Bless,
Rick Hall

RUNNING THE RACE, WORKING TOGETHER

If you were watching the Olympics in August you may have seen a story of two women runners. American runner Abbey D'Agostino and New Zealand runner Nikki Hamblin were competing in the women's 5,000 meters when the unexpected happened: 20 minutes into the event, the two runners accidentally became entangled on the track and both fell - hard. As Hamblin was dazed and confused from the fall she heard D'Agostino say, "Get up, get up we have to finish this!"

As I watched this race play out on TV, I was amazed at the determination that these two runners displayed to complete the race. Immediately, I thought of Hebrews 12:1:

Therefore, since we are surrounded by such a huge crowd of witnesses to the life of faith, let us strip off every weight that slows us down, especially the sin that so easily trips us up. And let us run with endurance the race God has set before us.

In life, it is very easy to hit a stumble or snag and feel the temptation to give up. However, there's that voice that calls out, "We have to finish this!" Summer is usually a time to slow down, but our staff and lay leaders have been hard at work, behind such a great crowd of witnesses, to plan for the fall.

We have said goodbye to our handbell director Pam Spirko, who moved south. Our choir director Bruce Campbell retired from music ministry this summer. We are excited to welcome Gloria Trode onto our staff to work with children's music. Abel Searor will take over the leadership of the choir, and will work with our handbell ministry. Jill Reid, who came on staff in our office in the winter, will now assume the role of office manager. We are thankful for Ellen Butler's work as interim office manager. Peter Hawley came on board in the spring as our Communication Coordinator. Lastly, I'm excited to share that Kristen Seamans is coming on board as Interim Children's Director.

Our staff and leaders continue to run the race faithfully and with endurance. We have some great plans for small groups, Christian education, stewardship, church events, children's ministry, youth ministry, music ministry, and senior adult ministry. I'm honored to work alongside a great staff and ministry leaders. I pray you will join in the work and ministry that is happening in and around our church. Keep on the lookout for exciting plans and opportunities to grow and serve.

As the rest of the pack of runners were running further and further away, DiAgostino helped Hamblin up and encouraged her. Both stayed with one another for most of the race. As both runners finished, Hamblin was interviewed about the event and helping one another and said: "Regardless of the race and the result on the board, it's a moment that you'll never, ever forget for the rest of your life. There's going to be that girl shaking my shoulder, saying, 'Come on, get up.'"

There are times when challenges present opportunities. I firmly believe that when challenges arise, there is an opportunity for God to do something new and wonderful. God is doing something new and wonderful at DeWitt Community Church. No matter where you are in your journey with God, there is a constant call from the Holy Spirit that says, "Come on, get up!"

We have a race before us but we are not alone. The opportunity is before us to run the race of life and spiritual growth. No matter what challenges are before you, you have the opportunity here at DeWitt Community Church to connect, grow, and serve. I pray you will join us on the marathon of life in order to work together to discover the awesome opportunities God has set before us.
